RE: Distribution of the 2003 Citizen Advisory Committee Reports

MCL 552.504(1)(d) provides that, at the end of each calendar year, the citizen advisory committee is to submit an annual report of its activities to the county board, court, State Court Administrative Office, Governor's Office and standing senate and house committees, and appropriations subcommittees that are responsible for legislation concerning the judicial branch.

The State Court Administrative Office is providing a list of those who are to receive a 2003 Citizen Advisory Committee Report. If your county has a citizen advisory committee, please make sure the committee receives a copy of the distribution list.
